## Headlines and News

**Ashlynn Howe, Red Hawk Counselor:** We want to welcome Ashlynn Howe, our full-time school counselor! Ashlynn has 6+ years of experience in elementary counseling grades PreK-6 and is coming to us from Cedar Springs High School, where she was the 9th grade counselor for the past year and a half. Ashlynn has her M.Ed. in School Counseling from GVSU and enjoys working with all students to teach preventative coping skills and provide a safe space to process feelings. If you'd like to learn more about our school counseling services or how to contact Mrs. Howe, click [here](#).

**Conferences:** We'll be offering conferences via Zoom, phone, and in-person. Your child's teachers will be sending a sign up for a seven minute time slot and which method you would prefer early next week. In an effort to provide everyone time with their child's teachers, we'll be strictly sticking with the time slots that are selected. If there are more questions than time allows, please reach out to the teacher(s) to set up another time to connect.

Please use PowerSchool prior to conferences for an understanding of where your child is with their grades in all classes. This helps to make the most of the time together.

For those choosing the in-person meeting, per the health department, students and teachers are required to be masked while in the building.

**PowerSchool:** Student grades and information are available through PowerSchool. Click [HERE](#) for instructions on how to access your account. If you need support with accessing PowerSchool, please reach out to Jen Lewandowski at [jennifer.lewandowski@csredhawks.org](mailto:jennifer.lewandowski@csredhawks.org).
